O R D E R

On October 13, 1986, Jackson County Rural Electric Cooperative Corporation ("Jackson County") filed a Motion to amend its application to include an additional industrial tariff rate. Jackson County stated that this new rate would be applicable to all large industrial customers with demand loads of at least 1000 KW, and would encourage economic development in its service area. The tariff had a proposed effective date of November 1, 1986.

- (3) November 13, 1986, should be recognized as the proposed effective date rather than November 1.

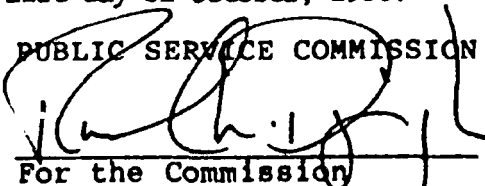

(4) Pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed tariff and such proceedings cannot be completed prior to the proposed effective date.
